

GFWC WOMAN'S CLUB OF ZEPHYRHILLS INFORMATION SHEET

The Zephyrhills Woman's Club, which was founded in 1915, is an organization dedicated to service to the community, civic participation and educational programs. Our members work together in a spirit of friendship for the betterment of our community, and we support national and international relief efforts.

We are part of the General Federation of Women's Clubs (GFWC) which is one of the world's oldest (since 1890) and largest women's service organizations dedicated to community improvement through volunteer service and the Florida Federation of Women's Clubs (GFWC Florida). We donate money and goods to local charities, provide scholarships to students seeking advanced education, and have interesting and fun activities for our members.

Our dues are only \$35.00 a year. We meet the **first** Thursday of the month at 6:00 PM September through May at our club house located at 38545 5th Avenue Zephyrhills, Florida 33542. Please note, there is no mail receptacle at the club house address. Our mailing address is: PO Box 735 Zephyrhills, Florida 33539. Each meeting combines guest speakers, interesting projects and dinner.

We offer opportunities to be of service to the community and to meet new friends. Social outings are also planned to explore points of interest in our area. Our service projects include providing scholarships to deserving students, volunteering in food pantries, baby pantries, nursing homes, foster care homes, local schools, libraries, and first responders' support. Anywhere our members find needs in the community, we try to provide it.

If you would like to learn more about our club, go to our website at: www.gfwczephyrhills.org or just join us for a monthly meeting, we love to have guests. In fact, our updated Club Bylaws require a prospective member to attend at least one general meeting before an application is made for membership.
